

Statement on provider access 2019/20 – Wolverhampton Girls' High School

Introduction

This statement sets out the school's arrangements for managing the access of providers to students at the school for the purposes of giving them information about the provider's education or training offer. This complies with the school's legal obligations under Section 42B of the Education Act 1997. Student entitlement

Students in years 8-13 are entitled:

- To find out about technical education qualifications and apprenticeships opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point;
- To hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships – through options evenings, assemblies and group discussions and taster events; and
- To understand how to make applications for the full range of academic and technical courses.

Management of provider access requests procedure

A provider wishing to request access should contact Rebecca Brett – Assistant head teacher (Careers) on 01902 551515 or by emailing rbrett@wghs.org.uk .

Opportunities for access

A number of events, integrated into the school careers programme, will offer providers an opportunity to come into school to speak to students and/or their parents. The schedule of activities is shown on the next page.

Please speak to Rebecca Brett to identify the most suitable opportunity for you.

Premises and facilities

The school will make rooms available for discussions between the provider and students, as appropriate to the activity. The school will also make available ICT facilities and other specialist equipment to support provider presentations. This will all be discussed and agreed in advance of the visit with the school.

Providers are welcome to leave a copy of their prospectus or other relevant course literature which will be stored in the Careers section of the library. The library is available to all students at lunch and break times.
